

Located in the heart of downtown Petaluma, Ca, Atomic Waxing is a salon that offers a number of different services. Owner, Sarah Diaz Weakley, has a love of 1950s fashion and style and her salon encapsulates just that.

“While our decor is a representation of the 50’s, our values are not. We pride ourselves in being an all inclusive safe space for everyone.”

-Sarah Diaz Weakley

We Can't wait
to meet you!
